Vote YES To Continue Valuable Services for Putnam County Senior Citizens

On November 7, 2017 the Council on Aging and its senior clients will be asking the community to VOTE YES for the Council on Aging 0.60 mill REPLACEMENT Levy.

The total levy cost of a home appraised at \$100,000 would be:

\$21.00 per year

\$1.75 per month

\$0.06 per day

A YES vote is only pennies a day!

Your YES Vote will allow us to continue to provide vital cost-effective services to Putnam County residents, age 60 and better. They will also help us meet the growing needs of our local aging population.
